

Lebanon Transit

Americans with Disabilities Act of 1990

Reasonable Modification Policy

Notice to the Public

Lebanon Transit values all its customers and will strive to ensure their customers, in particular, those with disabilities are considered when developing Fixed Route bus service, stops, passenger amenities and when procuring vehicles and equipment. Lebanon Transit customers who utilize the Americans with Disabilities Act of 1990 (ADA) Complementary Paratransit/Shared Ride service are provided with door to door service vs. curb to curb when needed to better serve their needs.

What is a Reasonable Modification

To ensure that programs and services are accessible to customers with a disability, an individual may request that a modification to Lebanon Transit policies, practices and procedures in certain instances be made in order to allow them to access and utilize the services.

There are no restrictions when a customer can request a Reasonable Modification although Lebanon Transit supports and encourages customers to place a written request as soon as possible.

Exceptions

Lebanon Transit will consider any and all requests for Reasonable Modification but shall take into account the following exceptions:

Reasonable Modification:

- Will not place an undue financial and/or administrative burden on Lebanon Transit and/or;
- Will not constitute a fundamental alteration of Lebanon Transit's current transportation services, programs or activities;
- Cannot cause a direct threat to the health or safety of others;
- Cannot adversely affect Lebanon Transit's service provided to other customers;
- Cannot jeopardize the functionality or use of equipment used to provide Lebanon Transit services; and
- May not be approved if the customer with a disability is still able to fully use Lebanon Transit services, programs or activities for their intended purpose without the requested modification.

Public Request Process

Whenever feasible, requests for modifications should be made in advance. This is particularly appropriate where a permanent or long-term condition or barrier is the basis for the request. In the ADA Paratransit/Shared Ride context, requests can be made in conjunction with Lebanon Transit ADA Complementary Paratransit/Shared Ride service eligibility process.

Lebanon Transit's process for public submittals of requests for Reasonable Modification is as follows:

- Requests should be as specific as possible and include information on why the requested modification is needed to allow the customer to use Lebanon Transit services;
- Requests should be made in writing or by email, but Lebanon Transit will accept a request by phone, if needed, at 717.274.3664. Requests should be directed to Theresa L. Giurintano, Executive Director, 200 Willow Street, Lebanon, PA 17046 or tgiurintano@lebanontransit.org;
- If a phone request is made and the Lebanon Transit Executive Director is unavailable, the request will be directed to a designee. Phone requests to Lebanon Transit must be made during normal business days and hours of operations at Lebanon Transit's administrative office Monday-Friday, 8:00 A.M. to 4:00 P.M, at 717.274.3664;
- "On-the-spot" requests will be accepted for circumstances that may arise while utilizing Lebanon Transit's transportation services by making a request to the operator. Such requests should be made as soon as the circumstance is made known the requestor. The operator may make the determination or request a decision of the Manager of Shared Ride Services or his/her designee, dependent upon the situation;
- Alternative means of filing a request, such as personal interviews or taped requests if unable to communicate their requests in writing or upon request. The Reasonable Modification process starts as soon as the request is made; and
- All requests/documentation shall be maintained in a designated file at Lebanon Transit's administrative office for a minimum of five (5) years from the date of requests.

Refusal of Service & Non-Discrimination

Lebanon Transit can refuse to provide service to a customer with disabilities if that customer engages in violent, seriously disruptive, illegal conduct, represents a direct threat to the health or safety of others or other violations dictated in the Lebanon Transit Code of Conduct Policy. However, Lebanon Transit will not refuse to provide service to a customer with a disability solely because the disability results in an appearance or behavior that may offend, annoy or inconvenience Lebanon Transit staff/employees or their persons.

Time Frame for Processing Requests and Providing Reasonable Modification

Lebanon Transit will process requests for Reasonable Modification and then provide modifications where appropriate, in as short a time frame as reasonably possible. Lebanon

Transit recognizes however, the time necessary to process a request will depend on the nature of the accommodation(s) requested and whether it is necessary to obtain supporting documentation.

Granting a Reasonable Modification Request

As soon as Lebanon Transit determines a reasonable accommodation will be provided, that decision shall be immediately communicated to the customer. Approval may take the form of a verbal response but will be followed up in writing as necessary for an ongoing approval and for reporting purposes. Upon request, alternative means of response will be provided in addition to the written response.

Request Denials/Protests

If a request for Reasonable Modification is denied, the requester has the right to protest the decision by following Lebanon Transit's ADA Protest Procedures. Copies are available upon request. Also, a copy of the ADA Protest Procedures will be included with the written decision of denial. Lebanon Transit will take, to the maximum extent possible, any other actions that may be available to them to ensure that the customer with a disability receives the services or benefits provided by Lebanon Transit that would not result in a direct threat or fundamental alteration.

The explanation for the denial will clearly state:

1. Specific reason(s) for the denial;
2. Any alternative modification that may create the same access to transit services as requested by the individual;
3. The opportunity to file a complaint relative to Lebanon Transit's decision on the request.

Complaint Process

Any customer who believes she/he has been discriminated against in obtaining a Reasonable Modification may file a formal complaint. Complaints are taken by Ms. Angela Luciotti by calling 717.274.3664 or by email to aluciotti@lebanontransit.org. Alternative means of filing complaints, such as personal interviews or taped requests, will be made available for customers with disabilities are unable to communicate their request in writing or upon request.

Lebanon Transit uses its best efforts to investigate complaints generally within ten (10) days after receipt. Once the complaint is received, the complainant will receive an acknowledgement of receipt typically within two (2) days of receipt of complaint. If more information is needed to resolve the complaint, Lebanon Transit may contact the complainant. If the information is not received within thirty days (30) from the date of the request, the complaint will be marked undetermined and closed.

After Lebanon Transit investigates the complaint, a decision will be rendered in writing to the complainant. Lebanon Transit will either issue a: "Letter of Closure" or "Letter of Finding".

1. Letter of Finding – This letter will summarize the complaint, any interviews conducted regarding the complaint, and explain what actions will be taken by Lebanon Transit to address the complaint.

2. Letter of Closure- This letter will explain why Lebanon Transit has determined the complaint does not merit modification under ADA and the complaint will be closed.
