

**Lebanon transit**

## APTA HEALTH & SAFETY COMMITMENTS PROGRAM

Lebanon Transit has earned the Health & Safety Commitment Seal. It means Lebanon Transit is fulfilling the highest industry commitments for keeping transit safe during COVID-19

More than 2,200 transit users were asked what would make them feel safe riding public transportation. Based upon those responses, the transportation industry has identified these key areas that transit systems need to address to earn customers' confidence.

---

### FOLLOW PUBLIC HEALTH GUIDELINES FROM OFFICIAL SOURCES

- ✓ Lebanon Transit has adhered to all Center of Disease Control (CDC) and Pennsylvania Department of Health guidelines. This has included actions such as:
  - Sanitizing all vehicles
  - Sanitizing high touch areas of the vehicles throughout the day.
  - Wearing facial coverings
  - Monitoring operators health
  - Making hand sanitizer available for employees and customers.
  - Hatches on vehicles are open (weather permitting) to provided ventilation.

---

### PROTECTING EACH OTHER

- ✓ All Lebanon Transit operators & customers must wear a facial covering when using Lebanon Transit services.
  - ✓ Practice Social Distancing when waiting for the bus and when riding in a Lebanon Transit vehicle.
  - ✓ Stay home if you're sick.
  - ✓ Wash your hands and cover your cough and sneeze.
  - ✓ Sharing best practices on how customers can stay healthy while traveling and using Lebanon Transit services.
-
