Department Managers' Reports

Finance Manager- Jessica Menzel

Jessica was seeking a Board Resolution for the Public Transportation Capital Application (PTCA) to file application and to certify local match. The motion was made by Lowell and seconded by Ed. The motion was approved.

The income and expense report was not ready due to errors that need to be worked out. An email will be sent to the committee when mistakes are fixed.

Four banks were solicited, and People's Bank, on Norman Drive, was awarded the contract due to its zero banking charges.

Lowell Brogan inquired if there would be a separate account set up with this bank for the new building expenses. Jill Nagy confirmed everything will be kept separate.

Mike Ritter, Marketing and Outreach Coordinator

There were 114 community surveys filled out regarding the ELCO expansion, indicating a good response from the community. Onboard rider surveys will be carried out.

New initiatives include a new shared ride ad and a continued partnership with Seven Mountain Media.

Human Resources Manager

3 projects:

Turnpike: nothing new to add.

Indiantown Gap: Redid the benches, picnic tables, and bus shelter. Put in shorter bushes. A brand-new sign has been installed. Giovoni Construction completed all this.

The building project is moving along. The permits are coming through, and we are also waiting for casino money.

We are looking to get an appraisal for the Turnpike land on 72. PennDOT was alerted to this. We cannot purchase anything without a National Environmental Protection Agency (NEPA) approval, according to Jill Nagy.
